INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Child Nutrition Council of Manitoba

Opinion

We have audited the financial statements of Child Nutrition Council of Manitoba (the "Entity"), which comprise the statement of financial position as at March 31, 2022, the statements of operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian accounting standards for not-for-profit organizations. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

See accompanying notes to financial statements.

CHILD NUTRITION COUNCIL OF MANITOBA

Notes to Financial Statements

Year ended March 31, 2022

1. General:

Child Nutrition Council of Manitoba (the "Council") is a registered charity which was incorporated on September 8, 2008 (established in 2001) to provide and improve the nutritional health and well-being of Manitoba school children through education, funding and promotion of best practices.

The Council is exempt from tax under Section 149 of the *Income Tax Act*.

2. Significant accounting policies:

(a) Revenue recognition:

The Council follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

(b) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Council has elected to carry all investments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

CHILD NUTRITION COUNCIL OF MANITOBA

Notes to Financial Statements (continued)

Year ended March 31, 2022

2. Significant accounting policies (continued):

(c) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

3. Investments:

	2022	2021
Guaranteed investment certificates	\$ 251,450	\$ 200,820
Corporate bonds	–	50,372
Mutual funds	79,241	141,603
	\$ 330,691	\$ 392,795

The guaranteed investment certificates mature between fiscal 2023 and fiscal 2025. Corporate bonds bear a weighted average yield of nil percent (2021 - 1.65 percent). Guaranteed investment certificates bear a weighted average yield of 1.19 percent (2021 - 1.25 percent).

4. Deferred contributions:

Deferred contributions represent the portion of the provincial grant and other contributions that pertain to expenditures of the following year or other specific purposes to be paid in future years and are comprised of the following:

	2022	2021
Province of Manitoba	\$ 104,074	\$ 235,537
Other	274,409	181,275
	\$ 378,483	\$ 416,812

CHILD NUTRITION COUNCIL OF MANITOBA

Notes to Financial Statements (continued)

Year ended March 31, 2022

4. Deferred contributions (continued):

The change in deferred contributions is as follows:

	2022	2021
Balance, beginning of year	\$ 416,812	\$ 398,956
Add amounts received during the year	1,363,367	1,245,814
Less amounts recognized as revenue during the year	(1,401,696)	(1,227,958)
Balance, end of year	\$ 378,483	\$ 416,812

5. Financial risks and concentration of risk:

The Council believes that it is not exposed to significant interest rate, market, credit or cash flow risk arising from its financial instruments.

Additionally, the Council believes it is not exposed to significant liquidity risk as all investments are held in instruments that are highly liquid and can be disposed of to settle commitments.
